Chief Executive

**DISCOVER
HOW TO:**

- **CONNECT WITH BIG BUSINESS**
- **SEEK FUNDING, SUPPORT & CONNECTIONS**
- **CREATE A VISION FOR THE FUTURE**

Visioning for a successful business has never been harder due to the seismic change brought about by Technology, Automation and Sustainability. To help gain a better understanding of the local and regional context, this webinar brings together business and civic leaders to explore key issues facing SME's. How to win contracts with the region's biggest businesses; how to define your offer and where to get the most appropriate help.
