**Who we're looking for:**

Does building your career, while inspiring children to be creative, confident and compassionate sound like your cup of tea? Do you love working with families and supporting parents and carers, through engaging activities and groups and nursery provision? Our Early Years Team is now looking for passionate and enthusiastic team members, committed to supporting children & families.

Based within Todmorden Children's Centre Nursery rated "Good", you will be leading a team of Early Years Practitioners to provide a welcoming, secure and stimulating environment, for children aged between 0 - 5 years. You will have management responsibility for a small number of staff and will be leading the daily routine within the nursery room supporting children to reach their full learning potential. We're looking for someone who is confident, driven and can flex to a range of situations. You'll be innovative in your approach to delivering early years support and will have the qualifications and experience to back it up.

**Key responsibilities:**

- Supervision of a small team of staff, volunteers & students
- To provide a welcoming, secure and stimulating environment, for children aged between 0 - 5 years
- Working directly with parents, carers to support children to reach their full learning potential.

**You should apply for this role if you have:**

- A minimum Level 3 or above qualification in childcare, a level 6 qualification is desirable but not essential
- Substantial and recent practical working knowledge of EYFS to include Statutory EYFS welfare requirements and tracking the development and progress of children
- At least 3 years' experience of providing high quality childcare within the community
- Experience of line managing staff would be desirable but not essential
- Excellent understanding of the developmental needs of babies and young children
- Experience of providing high quality childcare in a day care setting
- Experience of partnership working with parents and carers

We offer opportunities for ongoing professional development and further training.
